The information available through TT Investment House is for your general information and use and is not intended to address your particular requirements. In particular, the information does not constitute any form of advice or recommendation by TT Investment House and is not intended to be relied upon by users in making (or refraining from making) any investment decisions. Appropriate independent advice should be obtained before making any such decision. Any arrangement made between you and any third party named in the site is at your sole risk and responsibility.

For your information we would like to draw your attention to the following investment warnings:

The price of shares and investments and the income derived from them can go down as well as up, and investors may not get back the amount they invested. The spread between the bid and offer prices of securities can be significant in volatile market conditions. Realization investments may be relatively costly. Past performance is not necessarily a guide to future performance.

Where the information consists of pricing or performance data, the data contained therein has been obtained from company reports, financial reporting services, periodicals, and other sources believed reliable.

The site operates a policy of independence in relation to matters where the operator may have a material interest or conflict of interest. On conflict of interest such interest may arise from the receipt of advertising income, commissions based on business introduced, payment for enhanced publication presence, holding of positions etc.
